LE DOYEN'S DISINFECTINGFLUID.

Beg leave to call attention to this important and invaluable article, the greatest discovery of the age—patented in Washington, December, 1987,

Fennsylvania Avenue.

New Youx, September 19, 1848.

Gentlomen; — Having used your Dualnetering Fluid on my last voyage in the Washington across the Atlantic, I formuli it an invaluable article for destroying the effluvia from the Water closet, &c.

It is also valuable for the passengers to use in their state rooms, particularly in cases of alchress. I think it the best disinfecting agent ever invested.

(Signed,)

Master State J. J. JOHNSTON.
